## Extracts from standard terms and conditions

The standing order facility is governed by the terms and conditions applicable to your savings account, which you have previously agreed to be bound. By way of reminder, set out below are the relevant terms.

### 13 Standing orders

- a** Chelsea's standing order facility is offered subject to the terms and conditions set out or referred to below as amended or modified by us from time to time.
- b** Applicants are bound by these terms and conditions and by those which the donor account is subject from time to time.
- c** We will transmit payments notified by the saver and accepted by us provided the saver maintains sufficient cleared funds in the donor account.
- d** Where a donor account balance is insufficient to meet a standing order when it falls due for processing by us, the standing order will not be paid.
- e** The maximum standing order instalment will be as determined by us from time to time.
- f** The number of standing order instructions permitted in respect of any one account will be as determined by Chelsea from time to time.
- g** Variations or cancellations to standing order instructions must be in writing, signed by the saver(s) and received by us not less than seven days before the next payment due date of that standing order.
- h** New standing order instructions must be received by us in writing not less than seven days before the first payment is due to be transmitted.
- i** Subject to the terms and conditions applicable thereto, we shall transmit standing orders on the due date. Where the payment due date falls on a Saturday, Sunday, bank or public holiday the payment will be transmitted on the next working day after the due date. However, because the transmission of standing orders through the banking system is also dependent upon the actions of third parties, we cannot be responsible for making sure that payments reach their appropriate destination by a given date and cannot accept responsibility for any failure of a third party.
- j** We reserve the right to withdraw the facility at any time, should a valid reason prevail.
- k** We shall not accept a saver's instructions to recall payments.
- l** When transmitting standing order payments on a saver's behalf, we will not undertake to:
  - i** make any reference to Value Added Tax or pay a stated sum plus VAT or other indeterminate element
  - ii** provide any third party with the saver's address
  - iii** advise any third party of our inability to make a standing order payment on a saver's behalf
  - iv** accept instructions to pay as soon after the specified date as there are funds to meet that payment, if funds are not available on the specified date.
- m** In the event that we receive a saver's instruction to transfer the proceeds to a new account it will be the saver's responsibility to notify us in writing that the standing order instructions from the former account should be carried forward and applied to the new account.
- n** For savings accounts upon which Chelsea holds a saver's standing order instructions, in the event that such account is closed all further standing orders in respect of that account are deemed to have been cancelled.
